

Custom & Bespoke Elevator Cab Solutions Since 1986

Eklunds Delivers Complete Custom Elevator Cab Solutions

We design, manufacture, and install unique interiors that turn everyday journeys into memorable experiences. Our custom designs not only enhance aesthetics but also improve user comfort and satisfaction, ensuring your building stands out.

To ensure the highest standards of quality and safety, we are ISO 9001:2015, ISO 45001:2018, & ISO 14001:2015 certified. We manage the entire process from concept to installation, fabricating in-house at our corporate headquarters and manufacturing facility in Dallas/Fort Worth, as well as our second manufacturing facility in Baltimore/Washington DC.
